Police Department News – The Huachuca City Police Department would like to remind all of its citizens of the issues with fraud becoming more rampant. It is essential to stay informed and take actions to protect yourself and your family. Fraud and scams can come through the mail, email, text messages and phone calls. Here are some examples of commonly used schemes: 1) They claim there is a prize involved, example you won the lottery. 2) You receive an unexpected check or credit card that you didn't apply for. 3) You're asked to verify sensitive information over the phone. Remember, no bank, government agencies or reputable companies should call you and request any sensitive personal information over the phone. 4) You're threatened with severe consequences if you don't comply with the scammer, example jail time or a warrant will be placed for your arrest. 5) Emails or paper mail that does not look right. Never click on the email or reply to the sender. 6) If what the scammer is offering is "too good to be true", it probably is a scam. 7) You're asked to pay for something in advance, especially via an unusual payment method, like cryptocurrency, gift cards or money wires. As always if you believe you have fallen victim to a scam or have questions regarding a suspected scam contact your local Police Department to make a report or get advice.

Library News – The Library is wrapping up another successful year of Summer Reading and Summer Splash camp. This year we worked with the Huachuca City School's summer school program by holding enrichment programs to include their students. Some of our favorite programs were edible campfires, CD art, elephant toothpaste, and squid divers. Thanks to the Cochise County Cooperative Extension Program who came to present fun programs on healthy eating, exercise, and water conservation.

July 4th- Thank you to all of the local organizations that came out with free games and prizes for the kids. A HUGE thank you to Walmart, Safeway, Mr. Shed, Swire Coca Cola and Sparkletts for their generous donations of food and drinks. Thanks to Whetstone Fire and Fry Fire for a great fireworks display as well as keeping us safe and having fun activities for the kids! We all had a great day!
